A Unique Waterfront Retreat at Wood Duck Hollow

Nestled along the tranquil shoreline of Goslee Mill Pond, welcome to 19082 Robinsonville Road, a custom-designed coastal retreat that seamlessly blends contemporary architecture with the warmth of a cabin-like sanctuary. This is not just a home, it's a waterfront experience, uniquely suited for serene everyday living or an unforgettable destination rental.

From the moment you arrive, you'll sense the difference. Inside, an airy open layout unfolds beneath vaulted ceilings and brilliant skylights. Walls of glass sliders frame panoramic views of the pond and surrounding woodlands, flooding the home with natural light and connecting every room to the outdoors. Custom millwork, gleaming hardwood floors, and thoughtful design elements make every space feel purposeful and inviting. The main living area offers a cozy yet grand setting anchored by a handsome brick fireplace, perfect for curling up on cool evenings. The chef's kitchen is a showstopper, with custom solid wood display cabinetry, stainless steel appliances, an island with breakfast bar, and a built-in bar nook that makes entertaining effortless. Serve meals at the island, gather in the adjacent dining room, or take the celebration outdoors to the expansive rear deck, where nature's beauty becomes your backdrop.

Need a quiet place to work or unwind? A

light-filled solarium just off the dining area is the ideal retreat for reading, reflection, or remote work. On the same wing of the home, a guest bedroom features a private balcony and ensuite bath, while a lofted family room and additional guest bedroom with ensuite await upstairs, perfect for visitors or multi-generational living. On the opposite end of this thoughtfully planned home lies the primary bedroom suite. Under vaulted ceilings and warmed by its own fireplace, the bedroom offers a peaceful sitting area and a wall of windows capturing the pond's ever-changing vistas. The suite includes a walk-in dressing area with direct access to a spa-like ensuite bath. An upper-level loft and additional guest bedroom, complete with balcony and private bath, offer even more flexibility for guests or family. A large mudroom and laundry area with separate entry provide practical storage and everyday convenience, while the outdoors invites you to stay a while longer. Multiple zones along the elevated deck offer places to lounge, dine, soak in the hot tub, or simply take in the rustling trees and wildlife that surround you. Gardeners will be delighted with a charming potting shed, complete with chandelier, two greenhouses, a storage shed for tools, and lush grounds ready for your green thumb. Two private piers extend into the pond, granting direct access to explore the water by paddleboard or kayak, right from your own backyard. Whether you're dreaming of a one-of-a-kind primary residence, an inspiring second home, or a unique income-generating retreat, this property delivers. Its layout offers the potential for two families to share space comfortably, which is ideal for Airbnb or multi-generational stays.
